A Word from the Director ~ Marlene Bagnull

Marlene is the author of 5 books including *Write His Answer: A Bible Study for Christian Writers* and the compiler/editor of 3 other books. She gives *Write His Answer* seminars around the nation, teaches *At-Home Writing Workshops*, and helps Christians publish affordably and professionally through Ampelos Press. She has been directing the Colorado Christian Writers Conference since 1997 and the Greater Philadelphia Christian Writers Conference since 1983.

People are looking for answers. Sadly, far too often they discount Christianity as a viable answer. We can and must "write His answer" – the *only* answer to experiencing life in all its fullness now and for eternity. I have no doubt God will meet us on the mountain at this year's CCWC in ways that will change the course of our lives and our writing.

- ✍ Be inspired in our general sessions to "write His answer."
- ✍ Sharpen your writing and marketing skills from your choice of eight continuing sessions, 55 workshops, and four clinics.
- ✍ Learn from over 60 faculty members – many new to CCWC!
- ✍ Meet for 15 minutes with FOUR faculty members of your choice.
- ✍ Form deep friendships with others who share your passion for words and for the Lord.
